Mr. Gary C. Dunton
Chief Executive Officer and President
MBIA Inc.
113 King Street
Armonk, NY 10504

Dear Gary:

I have concluded that I should resign from MBIA's Board. I do so with great regret and only after very careful consideration of the interests of both MBIA and Deutsche Bank.

When I joined MBIA's Board in 2006, existing business relationships between MBIA and Deutsche Bank provided no basis to believe that I would be unable to give both institutions my full attention and undivided loyalty. Given the events of the past week, however, I am now in a position where I can no longer be confident that continuing to act on behalf of both institutions will not lead to the possibility of an appearance that I may have reason to favor one over the other on a matter of great importance to both. In these circumstances, my ability to continue to act on behalf of either institution may be constrained. Given the importance of restoring credibility in the marketplace, I would not want my role to become a distraction to ongoing efforts to achieve this goal.

I am proud to have been associated with MBIA, and I would have liked to continue serving on MBIA's Board. I leave the Board with great affection for all my fellow directors and with appreciation for their wisdom and dedication. I would also be remiss if I did not applaud the exceptional MBIA staff. I am confident that this top-flight staff, with the Board's support, will guide MBIA to future successes.

Sincerely,

A handwritten signature in black ink, appearing to read "Richard H. Walker", written in a cursive, flowing style.

Hi Deepak,

oh yes, I read them and after that went to your scribt-page and read everything that is there.

What you discovered at Deutsche Bank in regards to almost 100percent loans and the connection to bonuses is exactly what apparently happened at Hypo Real Estate (only that they offered 160 percent commercial real estate loans which in German is actually against the law. I am researching that story right now) so I am a little familiar with the topic. I just did a story about Merkel and her advisers and how badly their bank-overview functions. (<http://www.zeit.de/2009/15/DOS-Kanzleramt>)

I believe what you discovered in a heartbeat. I think your demands for better risk management and a different incentive structure need more audience - and connected with that very case that you are presenting, it would make a big, big story. I write 8000 word features (kind of like a New York times Magazine Story) and I would very much write about you and the case you are making. There are a lot of people out there that demand change, but there is you who can show how rotten the system still is, and how the managers say one thing to the media and something else to people like you.

The fact that your letter was ccd to Angela Merkel makes it even more interesting, because I could confront her with it, and ask about her real interests in changing the system (like she said on the G20 summit)

So any clue when you will be back in New York?

Kerstin

Hi Kerstin,

Unfortunately, I am stuck in Asia. Hearings are discontinuous, and I'm not sure when the next hearing will be. The April hearing was public, but most are closed hearings (including this Friday's hearing).

I'll recommend that we "meet" via videoconference. It's the next-best alternative and better than a phone call. Maybe even this weekend.

Thanks,
Deepak

Would it be possible to meet sometime next week in New York? Is the hearing on Friday public?

Kimura-san

As we discussed in this morning, I explained the current situation to Murakami-san in HR. After that, I arranged conference call with Sunil Madan and it is already fixed on tomorrow at 17:00 (Tokyo Time).

Murakami-san and I will have a conference call with him and ask him about our concerns. If you need to join it, please let me know.

As to investigation of Frank's e-mail for Pipeline issue, I will start it as soon as I obtain Mitch's approval.

Below are draft notes of the interview I had with Frank Forelle yesterday.

NEXT STEPS

I suggest for your consideration that the next steps should be:

- (a) we interview Sunil Madan. Tom Kimura has agreed to do that by telephone as soon as possible this week;
- (b) when Deepak Moorjani returns to Tokyo from the US next week, we press him again to produce all evidence he has of any alleged violations or wrongdoing. In the two weeks since he was interviewed he has not produced any evidence;
- (c) agree a letter to Mr Moorjani in response to his letter. I suggest that this letter be signed by David Hatt as President and CEO of DSI (the employer of Mr Moorjani). David Hatt has been briefed on this matter. I will draft the response letter for your review. Once agreed, that letter should be delivered to Mr Moorjani.

I also propose giving the draft notes of meeting to Frank Forelle to check for accuracy.
